Applicant should be currently serving as a General Manager or above with minimum work experience of 15 years out of which 10 years should be in IT. Power sector experience would be mandatory.

(d) **Job Characteristics of Director (IT), UPPCL**
As Director-IT, the incumbent has to set direction, vision, and mission for IT and create an IT Roadmap that will be considered as benchmark in Power Distribution. S/he has to conceive strategies to ensure implementation of the same. The incumbent is the overall functional as well as administrative controller of the department and is also responsible for implementing the medium term and long term plans as per the IT Roadmap. Besides, the incumbent has to forecast IT budget, ensure adherence to standards and schedules, liaise with third party etc. S/he must provide for the technical and service(s) supporting the information technology and office automation to support in attaining companies performance objectives and goals.

(e) **Key Responsibilities of Director (IT), UPPCL**

- **Strategic**
  1. Create the vision and set the direction for a forward-looking IT function at UPPCL.
  2. Stay ahead of market changes and be aware of best practices that can be leveraged at UPPCL.

- **Metering, Billing and Collection (MBC)**
  1. Lead the development (in-house or outsourced) of software applications that streamline processes around metering, billing, and collection—decreasing the cycle time and improving key metrics such as billing efficiency and revenue realization.
2. Draw meaningful insights from MIS data to improve the quality of service to consumers and amount of revenue for UPPCL, through technology interventions.

- **CRM**
  1. Design and implement technological software and hardware systems and platforms to improve customer experience.

- **Internal IT Applications**
  1. Ensure compliance of all necessary resources plan, strategize and direct the group for timely implementation of approved the IT Roadmap and IT Policies
  2. Liaison and coordinate with various external agencies such as consultants/vendors to identify right and capable partners who will provide cost effective IT solutions to UPPCL/DISCOMS. Also liaison and network within UPPCL/DISCOMS on IT practices and procedures
  3. Plan the implementation of new systems and provide guidance to IT professionals and other staff within the organization
  4. Oversee the technological infrastructure (networks and computer systems) in the organization to ensure optimal performance

- **Operational Technology**
  1. Implementation of SCADA/RAPDRP as approved by state/central/other govt. agencies
  2. Approve purchases of technological equipment and software and establish partnerships with IT providers
  3. Analyze the costs, value and risks of information technology to advise management and suggest actions
  4. Overseeing departmental finances, including budgeting and forecasting

(f) **Knowledge and Skills required of Director (IT), UPPCL**
  1. Proven track record of successfully leading the IT department of a big organization or vertical
  2. Successful track record of implementation of IT projects (using database technologies, middleware technologies etc.) with delivery on time and to budget
  3. Ability to develop, implement and manage strategies and plans aligned to key business objectives
  4. Effective contract management skills
  5. Good negotiating skills and outstanding communication abilities
  6. Excellent organizational and leadership skills
  7. Knowledge of different IT technologies applicable in power utilities

The whole time Director shall not be considered for another board level position in another company for two years after he joins a company with the following condition:

"If a position falls vacant in the same company at higher level, the restriction of job hopping will not apply as vertical hopping is permitted in the same company."
E- Tenure of Appointment:
   Subject to the terms & conditions, issued by the Government of Uttar Pradesh, the
tenure of appointment for the above posts shall be of 03 years or the age of incumbent
not more than 62 years, whichever is earlier.

F- Application Form
   This is available on website www.upenergy.in. It is to be submitted online only.

G- General
   i) The terms & conditions for selection shall be in accordance with the provisions laid
down in “Memorandum of Article of Association”.
   ii) Officer working with Government of India/State Government and its undertaking, if
selected on the above post, shall be given Pay Protection.

   Application form is available on website: www.upenergy.in. Application submitted through
on-line mode shall only be accepted. Applications sent through any other mode shall not be
considered.
